- If you are staying at the Palms Casino & Resort, you must make your own reservations by calling 866.942.7770 or by [Passkey Planner](#) (recommended). We have established a group rate of \$79/night plus 13-3/8% Clark County room tax and resort fees of \$32. If you call, be sure you ask for the National Association of Bunco Investigators group, CABUN19, to obtain the special rate. Please note that the **special room rate cannot be guaranteed after 10/4/2019**. Reservation requests received after the cutoff date may be accepted at the Resort's discretion on a space available basis at the prevailing rate and must be confirmed by the Resort prior to confirmation.
- Pre/post stays at special rate are based on request and availability.
