

“The Elusive Enemy”

Gypsies/Traveler Crime and the Elderly

Daytona Beach PD

Every major metropolitan area in North America has a varied concentration of criminal self-proclaimed “gypsies.” The criminal Gypsy and Traveler select seniors as victims a staggering 92% of the time. Their diverse crimes present more than a significant challenge to law enforcement nationwide. We must protect our seniors.

The National Association of Bunco Investigators (NABI) in association with the Daytona Beach Police Department is presenting an insightful two day seminar on Gypsy/Traveler Crime and the Elderly.

NABI is dedicated to assisting law enforcement and other first responders through the education and training of officers, detectives, investigators, APS workers, Ombudsman and prosecutors. Con games and scams cost the citizens of this country an amazing \$20 billion dollars every year and these transient career criminals are responsible for a vast amount of this all by themselves. NABI has developed a database with more than 15,000 entries of suspects and it continues to be a source for all law enforcement investigators in the ongoing battle with these professional criminals. NABI’s main goal is to assist in the identification, apprehension and prosecution of these very types of con artists.

The 2 day course topics will include: An in depth look at: Identification of the Groups, Keys to Effective Prosecution, the Elderly as Victims, Ruse Entry/Impostor Burglaries, “Sweetheart Swindles”, Fortune Telling, Eastern European Gypsies, the Travelers, Resources Available to You, Dealing With Impediments to Your Investigation, the Gypsy and Traveler Crime Groups as Non-Traditional Organized Crime and Who and What Cons Are in Your Area and more.
